## SIGHT SEEING

Sightseeing around Altstaetten

[Here](#) you can find some sightseeing ideas around Altstaetten.

Currency

Switzerland has Swiss francs (CHF) as its currency. Altstaetten is close to the border with Austria and Germany, so the Euro is also accepted as a means of payment in most places.

The conversion rate for Swiss Francs can be found [here](#).

Prices in Switzerland

Many people think Switzerland is expensive, judging by their experiences in big cities like Zurich. Zurich is one of the most expensive cities in Switzerland in terms of prices. In the countryside and in smaller towns, prices are quite different.

Altstaetten

Altstätten is located in the east of Switzerland, in the St. Gallen Rhine Valley. The historic market town with its quaint alleyways and picturesque houses has always been the center of the region. Altstätten combines urban and village advantages: a wide range of cultural activities and numerous shopping opportunities, surrounded by the generous natural surroundings of the extensive urban area. Around 150 clubs and traditions such as carnival and various markets contribute to making Altstätten a lively town. Altstätten is home to around 12,000 inhabitants.
